When I was just a little girl in Sweden
My thoughtful mother gave me this advice
If nature blesses you from top to bottom
Show that top to bottom, don't think twice

When you got it, flaunt it
Step right up and strut your stuff
People tell you, modesty's a virtue
But in the theater, modesty can hurt you

When you got it, flaunt it
Show your assets, let them know you're proud
Your goodies, you must push
Stick out your chest, shake your tush
When you got it, shout it out loud

When you got it, show it
Put your hidden treasures on display
Violinists love to play an E-string
But audiences really love a G-string

When you got it, shout it
Let the whole world hear what you're about
Clothes may make the man, all a girl needs is
a tan

When you got it, let it hang out
