MIKAH MONOCH: The General has landed on Il Nova Seven—

COMMANDER G'BRIL: Battle World?

MIKAH MONOCH: Yes, sir. Battle World. And he has made contact with a local.

COMMANDER G'BRIL: Is it Adon-Ra?

MIKAH MONOCH: No sir. This looks to be a female.

COMMANDER G'BRIL: What could he be doing that far outside of the core?

MIKAH MONOCH: The local seems to be some sort of street fighter. He looks to be recruiting her.

COMMANDER G'BRIL: So the General is resorting to working with street trash now to fight the alliance. How pathetic.

MIKAH MONOCH: What would you like me to do?

COMMANDER G'BRIL: Keep tracking him, Mikah. In the meantime, I'm sending out a squadron of UGC fighters to assist you in bringing him in. The president may not think Dan'h is a threat, but we know different. Don't we, Mikah?

MIKAH MONOCH: Hahahahaha!
