~~GENERAL DAN'H: I see. You're worried about your safety, aren't you? Worry not, E-V, I can assure you that Adon-Ra is completely safe. If you do not believe as such, we can restrain him in a full body cast with only his male reproductive organs exposed for you to copulate with. If you still don't feel comfortable with such an activity, we could also milk out his reproductive juices and insert them into you with a long tubular saturating instrument. The last thing we'd want is for you to be uncomfortable with any of this.~~

~~GENERAL DAN'H: E-V, are you really willing to let your species die out like this?~~

MIKA:

~~E-V: Hey, I never chose for it to get on the endangered species list in the first place, Dan'h. That was you.~~

~~GENERAL DAN'H: Destiny isn't chosen. It's found. You can do something about this or you can just lie down and let it all end like a coward.~~

Wow,

MIKA:

~~E-V: I'm not a coward.~~
