┌

Hi! (To HEIDI.)

JEFF

Jeffrey!

HEIDI

(JEFF and HEIDI embrace. Some time has passed since they have connected.)

What are you all cute for?

JEFF

Oh, I just came from an audition.

HEIDI

For what?

JEFF

Mamma Mia.

HEIDI

On the Broadway?

JEFF

On the Broadway.

HEIDI

What part?

JEFF

It's a replacement understudy/ensemble/off-stage singer/dance captain/assistant stage manager track.

HEIDI

How'd it go?

JEFF

I didn't get it. Wah-wah.

HEIDI

Oh no.

JEFF

Yeah... we sang...danced...read...sang again...they narrowed it down to three of us, and then they measured us. I didn't fit the existing costume so another girl got the job. And, can I say that the girl who did get the job... gorgeous, stunning, but she sang a little something like this:

(HEIDI sings awkwardly.)

But she did fit that silver spandex jumpsuit so no job for me. And now I'm embarrassed, I just met you guys and I'm way too talky.
