

What to Expect at ACT Auditions

Welcome!

Auditioning for a show is an act of courage! We're so excited that you're thinking about auditioning at Asheville Community Theatre, and we hope this helps you feel more comfortable!

1st Station - Paperwork

- **Audition sheet:** The Audition sheet is the first page you'll fill out. It will be given to the director before you audition. If you have a resume or headshot (not necessary), we will attach it to the Audition sheet.
- **Code of Conduct:** The Code of Conduct is required for all volunteers at ACT.

2nd Station - Turn in your paperwork

Once you fill out the Audition sheet and Code of Conduct, bring it back to the 2nd station, where your name and desired role will be recorded.

3rd Station - Photo

We will then take your picture so the director can refer to these when selecting parts.

Sides

All of the sides (short selections from the script that actors perform in an audition) are laid out for your use. They are separated by the names of the characters in the show. Feel free to audition for several characters but please return the sides after your audition.

Waiting

Please wait in the lobby until your name is called. If you leave and your name is called, you will be put at the end of the list.

Auditions are held on the Mainstage As you enter the theatre, you will be asked to go up on stage.

People in the theater

Typically, the only people in the theatre are the director, the stage manager, and a reader (someone who reads the other character's lines in the scene).

Callbacks: Callbacks are Thursday evening, the week of auditions. If you aren't called back, don't worry! Not everyone selected for a role will be asked to come back. Callback requests are sent by email.

When/How do I find out if I'm in the cast? Main characters will be called if they have been selected for a role. All others will be sent an email.

If you have any questions, please call us at 828-254-1320 (Ext 31) or email Kristen Zonneville at kristen@ashevilletheatre.org
